## Notice of Appeal / Request for reconsideration

Petitioner submits proof in court documents showing attempts made to resolve the invalid detention that this court stated petitioner did not attempt to exhaust in state court.

This unlettered - uneducated - handicapped petitioner begs this court to apply the law accordingly so that justice is served, as the state courts denied a attorney as seen attached.

PLEASE EXPLAIN the unknown name Deborah McCallach, Director Sand Ridge Secure Treatment Cnt listed AS Respondent on the court order you sent me

Respectfully Submitted
